may be paid toward the veteran's funeral and burial expenses including the cost of transporting the body to the place of burial. Entitlement to this benefit is subject to the applicable further provisions of this section and §§3.1601 through 3.1610. Except as provided in §3.1604(d)(5), payment of the service-connected death burial allowance is in lieu of payment of any benefit authorized under paragraph (b), (c) or (f) of this section.

(ii) In the case of a reopened claim, there is sufficient prima facie evidence of record on the date of the veteran's death to indicate that the deceased would have been entitled to compensation or pension prior to date of death. If the Department of Veterans Affairs determines that additional evidence is needed to confirm that the deceased would have been entitled prior to death, it shall be submitted within 1 year from date of request to the burial allowance claimant for submission of the confirming evidence. If the confirming evidence is not received by the Department of Veterans Affairs within 1 year from date of request, the burial allowance claim shall be disallowed; or

For burial allowance purposes, the term *hospitalized by VA* means admission to a VA facility (as described in 38 U.S.C. 1701(3)) for hospital, nursing home, or domiciliary care under the authority of 38 U.S.C. 1710 or 1711(a); admission (transfer) to a non-VA facility (as described in 38 U.S.C. 1701(4)) for hospital care under the authority of 38 U.S.C. 1703; admission (transfer) to a nursing home under the authority of 38 U.S.C. 1720 for nursing home care at the expense of the United States; or admission (transfer) to a State nursing home for nursing home care with respect to which payment is authorized under the authority of 38 U.S.C. 1741. (If the hospitalized person's death is service-connected, entitlement to the burial allowance and transportation expenses fall under paragraphs (a) and (g) of this section instead of this paragraph.)

disallowed because the service department holds that the disability was not incurred in line of duty and evidence is submitted which permits a different finding, the decision of the service department is not binding and the Department of Veterans Affairs will determine line of duty. The burden of proof will rest upon the claimant.

(e) *Persons not included.* Except as provided in § 3.1605(c) burial allowance is not payable in the following cases:

(1) A discharged or rejected draftee or selectee.

(ii) The veteran is not buried in a national cemetery or other cemetery under the jurisdiction of the United States;

(iii) The applicable further provisions of this section and §§ 3.1601 through 3.1610.

(2) For claims filed before December 16, 2003:

(i) The deceased veteran is eligible for the burial allowance under paragraph (b) or (c) of this section; or

(iii) The veteran was discharged from the active military, naval, or air service for a disability incurred or aggravated in line of duty (or at time of discharge has such a disability, shown by official service records, which in medical judgment would have justified a discharge for disability; the official service department record showing that the veteran was discharged or released from service for disability incurred in line of duty will be accepted for determining entitlement to the plot or interment allowance notwithstanding that the Department of Veterans Affairs has determined, in connection with a claim for monetary benefits, that the disability was not incurred in line of duty); and

(iv) The veteran is not buried in a national cemetery or other cemetery under the jurisdiction of the United States; and

(v) The applicable further provisions of this section and §§ 3.1601 through 3.1610.

(Authority: 38 U.S.C. 2303(b))

(g) *Transportation expenses for burial in national cemetery.* Where a veteran dies as the result of a service-connected disability, or at the time of death was in receipt of disability compensation (or but for the receipt of military retired pay or nonservice-connected disability pension would have been entitled to disability compensation at time of death), there is payable, in addition to the burial allowance (either the amount specified in 38 U.S.C. 2302 or the amount specified in 38 U.S.C. 2307 if the cause of death was service connected), an additional amount for payment of the cost of transporting the body to the national cemetery for burial. This amount may not exceed the cost of transporting the body from the veteran's place of death to the national cemetery nearest the veteran's last place of residence in which burial space is available. The amounts payable under this paragraph are subject to the limitations set forth in §§ 3.1604 and 3.1606.

#### § 3.1601 Claims and evidence.

(a) *Claims.* Claims for reimbursement or direct payment of burial and funeral expenses under § 3.1600(b) and plot or interment allowance under § 3.1600(f) must be received by VA within 2 years after the permanent burial or cremation of the body. Where the burial allowance was not payable at the death of the veteran because of the nature of his (or her) discharge from service, but after his (or her) death the discharge has been corrected by competent authority so as to reflect a discharge under conditions other than dishonorable, claim may be filed within 2 years from date of correction of the discharge. This time limit does not apply to claims for service-connected burial allowance under § 3.1600(a) or for the cost of transporting a veteran's body to the place of burial under § 3.1600(c) or § 3.1600(g).

(Authority: 38 U.S.C. 904)

(1) Claims for burial allowance may be executed by:

(i) The funeral director, if entire bill or any balance is unpaid (if unpaid bill or the unpaid balance is less than the applicable statutory burial allowance, only the unpaid amount may be claimed by the funeral director); or

(ii) The individual whose personal funds were used to pay burial, funeral, and transportation expenses; or

(iii) The executor or administrator of the estate of the veteran or the estate of the person who paid the expenses of the veteran's burial or provided such services. If no executor or administrator has been appointed then by some person acting for such estate who will make distribution of the burial allowance to the person or persons entitled under the laws governing the distribution of interstate estates in the State of the decedent's personal domicile.

(2) Claims for the plot or interment allowance (except for claims filed by a State or an agency or political subdivision thereof, under § 3.1604(d)) may be executed by:

(i) The funeral director, if he or she provided the plot or interment services, or advanced funds to pay for them, and if the entire bill for such or any balance thereof is unpaid (if the unpaid bill or the unpaid balance is less than the statutory plot or interment allowance, only the unpaid amount may be claimed by the funeral director); or

(ii) The person(s) whose personal funds were used to defray the cost of the plot or interment expenses; or

(iii) The person or entity from whom the plot was purchased or who provided interment services if the bill for such is unpaid in whole or in part. An unpaid bill for a plot will take precedence in payment of the plot or interment allowance over an unpaid bill for other interment expenses or a claim for reimbursement for such expenses. Any remaining balance of the plot or interment allowance may then be applied to interment expenses; or

(iv) The executor or administrator of the estate of the veteran or the estate of the person who bore the expense of the plot or interment expenses. If no executor or administrator has been appointed, claim for the plot or interment allowance may be filed as provided in paragraph (a)(1)(iii) of this section for the burial allowance.

(3) For the purposes of the plot and interment allowance *plot* or *burial plot* means the final disposal site of the remains, whether it is a grave, mausoleum vault, columbarium niche, or other similar place. Interment expenses are those costs associated with the final disposition of the remains and are not confined to the acts done within the burial grounds but may include the removal of bodies for burial or interment.

(b) *Supporting evidence.* Evidence required to complete a claim for the burial allowance and the plot or interment allowance, when payable, (including a reopened claim filed within the 2-year period) must be submitted within 1 year from date of the Department of
